A PORTION OF YOUR DUES IS NOT DEDUCTIBLE FOR INCOME TAX PURPOSES

Certain provisions of the Tax Act regarding lobbying expenses limit the extent to which your National, State and Local dues will be deductible for income tax purposes.

We have been advised by the National Association of REALTORS[®] that a percentage of each member's dues are declared not deductible for income tax purposes based upon the relationship to the total dues income of the association to the association's total lobbying expenditures. We have been further advised that even if a member pays 2018 dues in full by the end of 2017, the portion of their 2018 dues used for lobbying expenses cannot be deducted on the 2017 income tax return.

Estimated Lobbying Expense Percentage	Portion Not Deductible

Pennsylvania Association –10% (Annual dues \$150)	15.00
Suburban West – 6% (Annual dues \$139)	<u>8.34</u>
Total Portion Not Deductible	\$ 75.34
